I would like to register for the following session:

- Free Webinar: Israel: Markets for Montana Businesses:** Wednesday, March 24, 2010 8:30 AM- 9:30 PM From your computer! MWTC is organizing an International Business Development Mission to Israel May 31-June 3 (see details below), and wanted to provide a forum for your company to learn more about this unique and exciting market.

The US Commercial Service is dedicated to helping small-to-medium sized companies develop international markets. Jonathan Heimer, Senior Commercial Officer in Tel Aviv, will provide participating companies with insight into the Israeli market.

What You Will Learn

- What leading industry sectors provide the most opportunity for Montana exporters
- What new and emerging market opportunities exist for businesses outside these leading sectors
- Business will have an opportunity to ask questions specific to their business

Why Israel?

- The U.S. is Israel's largest single country trade partner, despite heavy European competition.
- Israel-U.S. commerce has grown seven fold since signing the Free Trade Agreement in 1985.
- Nearly all tariffs on trade between U.S. and Israel have been eliminated since 1995.
- Israel is a world leader in Research and Development

Specialist: Jonathan Heimer, Senior Commercial Officer, [U.S. Commercial Service, U.S. Embassy Tel Aviv](#)
